

We Make Memories, You Make Miracles!

During the entire month of July, we will have some special offerings that will allow you, as guests to make donations to The Johns Hopkins Children's Center! For the last 17 years, EFI has hosted a Bastille Day Celebration and fundraiser to benefit the Children's Center Trauma Unit and Burn Center, this year unfortunately Covid 19 has made us unable to hold that special celebration, However, we still want to do what we can for the kids! Thank You for your generosity and continued support!
